QUANTUM EDUCATION GROUP

# Most Impactful Education Group

At QE Group, we make global education accessible through expert guidance and trusted pathways to top universities worldwide.

PARTNER WITH US

## ABOUT QE GROUP

Quantum Education Group (QE GROUP), founded in 2011, is a leading international pathway education provider and a trusted strategic university partner. We specialize in delivering a broad array of industry-aligned pathway programs, as well as graduate and postgraduate degrees, all within a dynamic and globally focused learning environment. At QE Group, we collaborate with renowned universities, respected awarding bodies, and industry experts to ensure our students receive a premium private higher education experience. Our mission is to equip students with the academic knowledge and practical skills needed to excel in both their studies and future careers.

## WHO WE ARE

We are an international education group committed to empowering students to transform their lives through learning. At Quantum Education Group, we help students explore the best study options—guiding them on what to study, where to study, and how to get there. Whether through our global partner universities, country-specific preparation programs via Quantum International Pathways, or flexible online courses, we provide trusted routes to world-class education. With expert tutors, innovative programs, premium facilities, and personalized support, we ensure every student has the opportunity to reach their full potential.

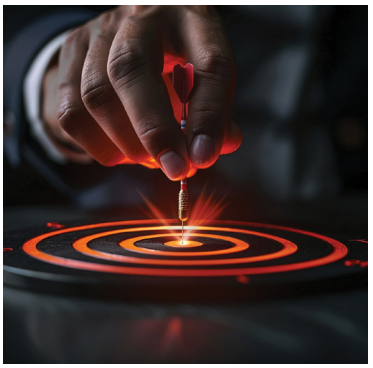

# OUR VISION

To be a global leader in pathway education, recognized for delivering innovative, industry-aligned programs and fostering strategic partnerships with world-class universities. We strive to empower learners worldwide by providing access to quality higher education and equipping them with the skills needed to succeed in an ever-evolving global landscape.

# OUR MISSION

Our mission at QE Group is to offer high-quality, personalized education solutions that prepare students for academic excellence and professional success. Through our robust pathway programs, graduate, and postgraduate degrees, we aim to bridge the gap between education and industry by delivering a global, practical learning experience.

We are committed to collaborating with universities, awarding bodies, and industry leaders to create transformative educational opportunities, including our widely recognized English Language Proficiency Test (ELP Test), helping students achieve their academic and career goals
